CORPORATE BRANDING

Corporate Branding Solutions are another ArtLab specialty. From complete office make overs to the endless possibilities of PRINTERIORS - Top SA brands rely on ArtLab!

6

VINYL GRAPHICS

Our vinyl banner printing is simply superb. Highest resolution possible with extreme longevity. We use only eco-solvents and the new HP Latex inks to ensure all our output is ECO-FRIENDLY

Our CRUSE SCANNER is renowned as the world's best large format scanning solution. ArtLab has the only one in South Africa. This remarkable scanner allows us to capture large format originals at a quality and resolution never before possible. Ideal for creating textures for wallcoverings.

The 1.5 BILLION pixel (you read right) capture capability, moving flat bed (can take up to 300 kgs) and computer controlled lighting give you a resolution and detail that is quite frankly stunning - capturing every nuance and texture of the original. Work of up to 1.5m can be scanned behind glass even in it's frame!
