

custom wallpapers & murals

All our wall-coverings are printed in
ONE PIECE! NO JOINS!

ArtLab is SA's leading digital printing facility. We have the very best equipment available and highly trained staff who will assist you through every step of your digital printing experience!

Wallpapers are our absolute specialty at ArtLab!

We offer the highest quality and most durable custom wallpapers you can get. Custom wallpaper printing allows you to create truly dramatic murals that give a space the exact look and feel you want!

We print up to 3m wide and any length using super strong UV cured resin inks. The wall-covering is super strong - durable washable and easily removable.
